

PHASE 1: Introducing the topic

A. A stroll around the European museums

1. Visit the website and take the quizzes available to check what you already know about the three museums of our mini project.
2. Then, visit the site of **one** of the museums (either the [Louvre](#) or the [Acropolis Museum](#) or [the British Museum](#)) and complete the table below adding information about:

Some of the permanent collections it houses	
Some of the temporary exhibitions and events	
Some of the themes, cultures, time periods they cover	
Two or three of their most famous exhibits	

3. Use this information to **create a presentation** which you are going to share with your classmates
 - Create the presentation collaboratively using **Google slides**
 - Include 5 slides with font size 26
 - Evaluate the other teams' presentations using the rubrics given below according to this scale 1: I don't agree 2: I agree 3: I totally agree

The structure of the presentation is clear and easy to follow	
The content is stimulating	
The group has worked satisfactorily to prepare the presentation	
The presenter(s) are fluent and well aware of the topic	
The presenter(s) maintain eye contact with the audience	

4. Your presentations will be posted on the class blog to be seen and commented by your classmates.
